

FRIENDSHIP AND INTERCOMMUNION CONCORDAT

ORDER OF THE CHRIST PANTOCRATOR
INTERCOMMUNION, NOT SUBJUGATION · TEMPLATE

TO ALL WHO SHALL READ THESE PRESENTS, GREETING IN THE
LORD.

This Concordat is entered into between the **Order of the Christ Pantocrator** and **[PLACEHOLDER: name of jurisdiction]** (together, “the Parties”), in a spirit of friendship and common faith. The Order enters it as a servant guild and ally, not as a superior.

Mutual recognition. Each Party recognises the other as a community of Christian faith that confesses the Nicene Creed and celebrates the sacraments, and the Parties mutually recognise the validity of one another’s holy orders and sacraments. [PLACEHOLDER: note any review of records completed.]

Autonomy. Each Party fully recognises the autonomy of the other. Each retains its own governance, appointments, discipline, liturgy, property and finances. Neither Party gains any jurisdiction, territorial claim or governance over the other’s parishes, communities or clergy.

No transfer of assets. This Concordat transfers no property, funds or other assets, and creates no financial obligation, merger or legal partnership. Neither Party speaks or acts for the other.

VERITAS • MISERICORDIA • HUMANITAS • AETERNA

Fellowship. The Parties welcome one another's faithful to the sacraments, may invite one another's clergy to liturgies at the invitation of the local bishop, and will share prayer, counsel and resources such as the Canonical Vault.

No sovereign or legal claims. This is a religious agreement of fellowship only. It makes no claim of sovereignty, diplomatic status, or legal immunity, and confers none.

Withdrawal. Either Party may withdraw from this Concordat at any time by written notice to the other. The Parties will review it every [PLACEHOLDER: years] years.
